VACANCY ANNOUNCEMENT

Post Title: Senior Researcher
Faculty: Faculty of Nuclear Sciences and Physical Engineering
Department: Department of Mathematics

Purpose
The Department of Mathematics of the Faculty of Nuclear Sciences and Physical Engineering of the Czech Technical University in Prague invites applications for a Senior Researcher in Mathematics. The accepted applicant will enhance the research and teaching capacity of the subject area and help to build the capability of staff.

Conditions
The position is for six months, starting not later than in September 2018.
The gross salary is approximately 90 000 CZK (~ 3 500 Euro) per month.

Requirements
Applicants should have been engaged for at least 2 out of the last 3 years as a researcher (respectively professor) in research (respectively higher education) in institution(s) outside the Czech Republic. The minimum workload during those 2 years has to be at least 0.5 FTE. Their scientific achievements should be internationally renowned by the usual criteria in mathematical sciences (publications, citations, successful grant applications, dissemination and organization activities, etc.).

How to apply
The applications including a curriculum vitae (including list of publications) should be sent by e-mail to David Krejčířík (david.krejcirik@fjfi.cvut.cz), before May 31, 2018.

The position is supported from the EU Operational Programme Research, Development and Education, Call “International Mobility of Researchers” - CZ.02.2.69/0.0/0.0/16_027/0008465
